

# About South Bank

*South Bank is Brisbane's premier public space, tourist destination and recreational, entertainment and business precinct. The 42 hectare site encompasses Queensland's quintessential qualities: climate, landscape, character, diversity and lifestyle, and is continually evolving to create innovative and world class experiences for the 10 million people who visit each year.*

## The Parklands

The Parklands span 17 hectares and are home to a variety of family-friendly sights and experiences including the Arbour, Streets Beach, Aquativity, the Nepalese Pagoda, the Maritime Museum, Rain Bank, the Wheel of Brisbane, rainforest walks, picnic and barbecue areas, playgrounds and the Clem Jones Promenade. The Parklands also has several eating areas – Stanley Street Plaza and the Central and Arbour View Cafes provide casual dining, while River Quay offers a more upmarket experience with its suite of five-star waterfront restaurants.

## Little Stanley

Little Stanley is a bustling retail and dining strip that overlooks the picturesque Parklands. With an energy and vibrancy that is unmatched in Brisbane, Little Stanley is increasingly becoming known as a celebration of Queensland's subtropical street life and one of Brisbane's must-visit destinations. Little Stanley is home to high-end fashion boutiques and more than 30 restaurants, cafes and bars offering an array of international cuisine styles including Turkish, Indian, Malaysian, Japanese, Mediterranean, Modern Australian and Italian.

## Grey Street

Grey Street is Brisbane's cultural boulevard, flanked with a mix of artistic, cultural, culinary and leisure experiences. In addition to housing a range of dining and retail outlets, Grey Street also features several of Queensland's major cultural institutions including the Queensland Performing Arts Centre, Queensland Art Gallery and Gallery of Modern Art, State Library of Queensland and Queensland Museum and Sciencentre. It is home to the Brisbane Convention and Exhibition Centre.

## Sustainable South Bank

South Bank is a national leader in sustainability, having become the first community in Australia and one of only four communities in the world to achieve Silver Certification Status from EarthCheck, an international sustainability certification program for the travel and tourism industries. Some of the precinct's exemplar sustainability projects include Rain Bank, a stormwater harvesting and reuse centre, a community herb garden and River Quay, a dynamic retail space featuring climate responsive architecture and landscaping.

## Accessible South Bank

South Bank has two train stations and a bus station on Grey Street, two CityCat terminals and a ferry terminal on the Clem Jones Promenade and three CityCycle stations – one on Grey Street, one outside the Maritime Museum and one on the Cultural Forecourt. There is also an underground car park on Little Stanley Street and on-street metered parking on Grey and Little Stanley Streets.

## Key facts

# 406

The Arbour is comprised of 406 steel galvanised posts and has won nine awards for its innovative design.

Streets Beach is Australia's only inner-city man-made beach.

The Nepalese Pagoda symbolises world peace and took more than 160 families 1 million hours to build.

The Parklands are home to several animal species including the eastern water dragon and the sacred ibis.

X 1 MILLION

Rain Bank provides up to 85% of the Parklands' irrigation and can recycle 77 megalitres of stormwater each year.

South Bank is home to more than 150 events each year including Riverfire, Christmas and New Year's Eve celebrations.
